What's on your mind?

It helps to talk.

- ✓ What will my family think?
- ✓ Will my baby's father help?
- ✓ How will I afford this baby?
- ✓ What about work or school?

It can be hard to decide what to do.

With Open Adoption you can make a plan that provides the life you want for your child, as well as yourself.

*"Open adoption was a responsible way I could give my child what he needs."
~ Stephanie, FL ~*

Choices with Open Adoption

- ✓ **African American & Biracial families** ready to adopt now.
- Get profiles of adoptive families!*
- ✓ **Get to know the family** if you choose.

- ✓ **Decide how things go at the hospital** when your baby is born.
- ✓ **Choose how and if you want to keep in touch** after the adoption.

*"I wasn't sure about adoption until I found the right parents to adopt my son. The first time I talked with them I knew it was right for me and my baby."
~ Cheryl, CA ~*

Learn more today!

- ✓ Free **counseling** and **peer support**.
- ✓ Talk with the adoptive **parents you like**.
- ✓ Get **free information** with **no obligation**.

You have the say in every part of the adoption process.

Call, email, text, or chat live for help!

- ✓ **Assistance available where you are;** no need to relocate.

*"Choosing parents who are like me helped my family understand why I chose adoption. Because of open adoption my whole family can be a part of my daughter's life."
~ Jasmine, NC ~*

It's never too late.

Adoption can happen anytime before or after your baby is born—even from the hospital.
